TESTIMONIALS

"I had the immense pleasure of working with Delphine on a beautiful wedding last summer.

As a wedding planner, she was a tremendous help throughout all the key stages of organizing the wedding, right up to the big day. Professionally, she's an indispensable right-hand person! Serious and deeply committed to her work, with a level of rigor that ensures everything runs smoothly on the day of the event. Passionate, communicative, and very approachable, her interpersonal skills and attentive nature are without a doubt her greatest strengths!

On a personal level, Delphine is kind, gentle, and always finds the right words to reassure you. She is surely the person you need!"

Séraphine, wedding planner Empreinte Éphémère

"Seraphine and Delphine are the best team and I always trusted that they were doing and picking the best options on my behalf. They over performed and took care of myself and my fiance(now husband) and I will always be SO GRATEFUL for them having such a close hand in executing my dream wedding in the South of France! "
